The name

Radio City Christmas Spectacular in NYC

Thanks

Spectacular is possible thanks to generous donations from:

- ▶ LSST Corporation
- ▶ Simonyi-Gates Challenge Grant
- ▶ Brookhaven National Laboratory Physics Department
- ▶ Stony Brook University Department of Physics and Astronomy
- ▶ C.N. Yang Institute for Theoretical Physics.

Some logistics:

- ▶ Monday, Tuesday: BNL; Wednesday SB
- ▶ Tuesday lunchtime: photo
- ▶ Tuesday evening: conference dinner in Port Jeff
- ▶ Lunch: on your own in cafeteria
- ▶ Some other horde turns up at 1pm, so we might move our lunch
- ▶ LSST facilities tour: Andrei Nomerotski will pick up people beginning of every coffee break
- ▶ Any questions: hassle myself or Neelima Sehgal or Erica Lamar or Socoro Delquaglio
- ▶ I beg speakers to keep to the time limits
- ▶ Poster writers: e-mail your **one** slide to anze@bnl.gov by tomorrow for the machine-gun sessions
- ▶ Weds “horse trading” panel: send ideas to anze@bnl.gov

This sea urchin symbolizes the pain of organising a workshop like this: let's make it a success, so that all the effort is not in vain!!
